C

A lot of people are crazy doing shopping through the Internet now. Why is it so popular? There are some reasons. First, more and more people have their own computers and their computers can be joined with the Internet. So it is possible for many of them to do shopping through the Internet. Second, shopping through the Internet can save them some money and a lot of time. Third, they don't need to go to the shop themselves. Because of these good facts, few people refuse it.

On the other hand, some people don't like this new way of shopping. They are worried about the safety of shopping on line. Customers (顾客) can only see the pictures of products (商品) on the Internet. And they can't enjoy the pleasure of buying things in large supermarkets or some wonderful stores. These are the reasons why they do not like it. But I think more and more people will like this new kind of shopping in the future.

86. Many people are interested in shopping on line.
87. Shopping online can only save money.
88. All the productions on the Internet are good.
89. Some people dislike shopping online because they don't have their own computers.
90. The writer of the passage supports (支持) shopping on line.

D

A long time ago, there was an emperor. He had a beautiful garden. In the garden, there was a little nightingale (夜莺) singing very beautifully.

One day, the emperor heard about this little bird's beautiful voice. He asked his guards to bring her to him. As soon as the emperor heard the nightingale's voice, he said, "Put her in a golden cage, so she can stay and sing for me whenever I want to hear her."

The little bird was so unhappy about being kept in the cage that she stopped singing one day. The emperor was very angry. He ordered the scientists in his palace to make a robot bird for him. The bird could sing very beautifully, too.
